

Preface

The Land Study for Westside PSB Properties has been approved by El Paso City Council for incorporation into the *Plan for El Paso*, as follows:

- The 2025 Thoroughfare System as detailed in the map atlas of the *Plan for El Paso* and its related documents, as originally approved by the El Paso City Council in 1999 was amended by ordinance by City Council on April 5, 2005 to incorporate modifications recommended in the Land Study for Westside PSB properties.

Refer to Section 5 of this Master Plan and Section 5 of the Land Study, both titled “Proposed Transportation Network and Traffic Impact Study”, for a description of the revisions to the Thoroughfare System plan.

- On May 24, 2005, the El Paso City Council adopted the Land Study for the Westside PSB Properties as a specific study area plan for the subject area, and approved its incorporation into *The Plan for El Paso* for all purposes, including amending the Year 2025 Projected General Land Use Map for the long-range development of the Northwest Planning Area.

Refer to Section 3 of this master plan and Section 3 of the Land Study, both titled “Land Use Plan” for the proposed land use plan for the subject area.
